John,

One last very minor typo and one comment/question:

**Ex. 5 DP / Ex. 7(A)**

Morning folks

Here is the revised doc with all of John's changes accepted. Looks good to me. I am not seeing the worst of the formatting issues on my PC – so let me know that this looks ok.

I am going to circulate this to Deborah Jordan for her situational awareness and will plan to finalize in the am.

Thanks all!  
John

All, the basic info and line of reasoning looks good to me. I made some very minor formatting comments. However, I have a couple comments/questions for the group:

# Ex. 5 DP / Ex. 7(A)

Here's my redline. Just grammatical. The facts remain the same. Up early Saturday morning with teeth pain. Yippie.

Hi Keith and John

Please, if possible, give this a read this afternoon. We need to send it to the group of participating agencies Monday before the early afternoon meeting.

Thanks!
